Summer at F.S. Key

Summer is a busy time at Francis Scott Key. In June and July, FSK hosted the SFUSD elementary school summer program as well as three summer enrichment programs run by the Child Development Center, the Community Youth Center, and the Sunset Neighborhood Beacon Center. FSK welcomed students and teachers from all over the district. Many of our teachers also taught in the summer program; the summer school principal was none other than our own Mr. Wong.

Participants in the enrichment programs — largely enrolled with students from FSK — enjoyed arts and crafts, cooking projects, outdoor games, movie night, board game tournaments, and field trips to the zoo, Exploratorium, beach, library, and more.

Overheard:

“I liked holding the kitten with blue eyes.”

“Beacon summer program is great because there’s no homework!”

“Cooking is fun and easy. We made quesadillas and guacamole. Sour cream is delicious.”

“I made my own pinwheel.”
